- ➡ 오픈 액세스 (OA) 는 학술 출판의 글로벌 트렌드입니다. 귀관과 Royal Society of Chemistry (RSC) 는 Publish & Read agreement를 체결했습니다. 귀하는 귀관의 교신저자로서 논문을 오픈 액세스로 무료로 투고할 수 있습니다.
- → 무료 오픈 액세스로 전환되어 승인된 원고는 모두 동료 평가(peer review)를 거칩니다.
   따라서 논문을 오픈 액세스로 전환해도 학술적인 질에는 영향을 미치지 않으며, 오히려 논문이 더 많이 검색되고, 더 많이 다운로드 되어 보다 높은 수준으로 노출되는 것을 기대할 수 있습니다.
   이와 같은 무료 오픈 액세스 전환 혜택은 Hybrid 저널에 게재된 논문에만 적용된다는 점 유의하여 주시기 바랍니다.
- 무료 오픈 액세스 전환이 가능한 논문은 선착순으로 선정됩니다. (기관별로 상이) 이 혜택을 최대한 빨리 이용하시기 바랍니다.

# Manuscript accepted? Congratulations!

C ROYAL SOCIETY OF CHEMISTRY

#### CHOOSE A PUBLICATION ROUTE

Please select a publication route for your article. You can choose from standard (traditional) publication or gold open access. See our website for more information about <u>open access</u>.

#### UNIVERSITY OF XXXX

Your institution has a Read & Publish open access agreement with the Royal Society of Chemistry, which means that your institution will automatically cover the article processing charge (APC) allowing you to publish your article gold open access.

## Step 3

- 시스템에서 이메일을 기반으로 귀하가 Publish & Read deal 가입 기관 소속임을 자동으로 식별합니다.
- "gold open access"를 선택하시고
   "continue"를 누릅니다.

#### UNIVERSITY OF XXXX

Your institution has a Read & Publish open access agreement with the Royal Society of Chemistry, which means that your institution will automatically cover the article processing charge (APC) allowing you to publish your article gold open access.

#### STANDARD PUBLICATION

Version of record available to institutions with a subscription

Accepted manuscript available after embargo (allows the accepted manuscript to be made green open access via a repository after 12 months)

Author retains copyright

Others have restricted sharing and reuse rights

FREE

No article publication charges

O Select our standard licence

#### GOLD OPEN ACCESS PUBLICATION

Version of record is freely available to everyone

Open access is immediate upon publication (payment of article processing charge may be required before publication)

Author retains copyright

Others can share and reuse

Membership or institutional discounts may apply

FREE

No payment required
